

## CHC30113 CERTIFICATE III in EARLY CHILDHOOD EDUCATION AND CARE

Want to become a Early Childhood Education and Care professional? If you want to be the best – then study with the best with a curriculum developed by industry experts. The CHC30113 Certificate III in Early Childhood Education and Care is a qualification that covers workers who use organisation policies, procedure and individual children's profiles to plan activities and provide care to children, facilitating their leisure and play and enabling them to achieve their developmental outcomes. This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations.
